NOTIFICATION OF CHANGE OF ADDRESS OR CONTACT DETAILS

Med Rec. No:

Surname:

Forename:

Gender: D.O.B.

The following list describes acceptable request formats by area:

Admissions: Pre-Admission Information Form.

Outpatient / Wards: Parents are required to complete a Notification of Change of Address or Contact Details Form.

Labs / Pharmacy / Diagnostic Services: Parent are required to complete a Notification of Change of Address or Contact Details Form. If a written request is received and the address is different on the PAS, make the change on the PAS (after verification of address details) and send the Notification of Change of Address or Contact Details form to the CPI Officer in PIMS.

If information is given over the phone, please advise the caller that for security reasons the patient's information cannot be updated until written confirmation has been received.

When the form is returned, the details will be updated in the "PAS" by the CPI Officer.

It is important that this notification form to be filed into the medical record's correspondence section as evidence of the request and what action has been taken.

To be completed by PIMS CPI OFFICER
